Check Out 2019 Green Rewards It's on Us!

Limited time offer from Fannie Mae!

2019 Green Rewards is a great deal for your borrowers – and we want to prove it to you.

We've heard the rumors that qualifying for Green Rewards in 2019 is too hard and too expensive. We believe those rumors are wrong. In fact, we are so confident that, for a limited time, we will reimburse the full cost of all High Performance Building (HPB) Reports **regardless of whether the loan delivers to Fannie Mae as Green or non-Green.**

See what it takes to go Green in 2019

We've extended our offer period! Now, for any loan that goes under application from 3/22/2019 through 6/30/2019, Fannie Mae will reimburse the full HPB Report cost.

The average HPB Report costs \$7,000, and no one wants a Borrower to bear that cost for a loan that isn't a good fit for Green Rewards. Our limited time offer on HPB Reports removes that barrier. So, get a Green Rewards quote, order the HPB Report, and check out the great benefits of 2019 Green Rewards - *it's on us.*

To request a reimbursement

Fannie Mae will reimburse 100% of the report cost of the HPB Report.

To request reimbursement for an HPB Report, follow the instructions in the Job Aid "[How To: Register, Quote, Close and Deliver a Green Mortgage Loan.](#)"
