What happens when the Green SRL **DOES NOT** close as a Green loan?

- ❑ **Before originating the Loan...**
 - ❑ Lender must notify Fannie Mae and make any necessary changes to the Loan amount and Gross Note Rate in loan documents.
- ❑ **Prior to the delivery deadline...**
 - ❑ Lender must update the loan to reflect the non-Green G & S fee at the time of rate lock as a Green loan.
 - ❑ Make any required change to the loan amount.
