April 3, 2020

To: Multifamily Lenders and Servicers  
From: Larry LaGrone, Vice President for Portfolio Risk Management  
Subject: Lender Letter 20-05 | COVID-19 Forbearance Process Guidance

### HIGHLIGHTS

Effective April 3, 2020, for any COVID-19 related forbearance agreement per Supplement 20-05, Fannie Mae will:

- Use the Multifamily Asset Management Portal (MAMP) to intake Servicer-delegated forbearance notifications and supporting documents, as well as non-delegated forbearance requests and modifications; and
- Require Servicers to complete a Delegated Forbearance Tracking Spreadsheet on a weekly basis.

We have made important updates to the Delegated Forbearance Guidance issued last week to address changes required by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act). Please review these details in [Supplement 20-05](#).

Outlined below are the necessary steps for submitting delegated forbearance notifications for a Borrower impacted by COVID-19. We are also updating the intake process for submitting non-delegated forbearance requests and modifications. Effective immediately, all non-delegated forbearances and modifications must be received through MAMP.

#### **Step 1: Understand the Process for Submitting Delegated COVID-19 Forbearance Documentation.**

The Fannie Mae Multifamily COVID-19 Delegated Forbearance Notification process includes the following steps:

- (a) Collect and organize supporting documentation, including:
  - (i) Executed Forbearance Agreement;
  - (ii) Pre-Negotiation Letter, if executed; and
  - (iii) Lender Case Memos/Justification documents.
- (b) Submit supporting documentation through the Borrower Request Module in MAMP following the detailed steps provided in the [Delegated Forbearance Notification Submission Job Aid](#).

- (c) Complete and submit structured metadata on delegated forbearance notifications using the [Delegated Forbearance Tracking spreadsheet](#) on a weekly basis.

**Step 2: Submit Non-Delegated Forbearance Requests and Modifications through MAMP.**

All non-delegated forbearance requests (including any request unrelated to COVID-19) and modifications must follow existing guidance and must now be submitted through MAMP. Please review this [Non-Delegated Forbearance Request Submission Job Aid](#) for detailed instructions on entering non-delegated forbearances or modifications requests in MAMP.

**Step 3: Join an Upcoming Information Session.**

We understand you will have questions about the forbearance notification process. We are developing additional reference materials and planning information sessions to discuss guidance, review document templates, and respond to your questions.

**Effective Date**

This Lender Letter is effective on and after April 3, 2020.
